JUDO

**World Kata Championship
Pordenone, Italy**

Marius L. VIZER
IJF President

Our sports season focuses mainly around the world circuit events: the Grand Prix, the Grand Slams and the various World Championships that the International Judo Federation organizes. However, in this context of very high performance, the Kata World Championship has also become a major event in our calendar. An event that the whole IJF and its members are very proud of.

For the fourth time in history, the best specialists of the kata art, will meet on the tatami to win the world title, a title that has got a real value and represents a real achievement.

Five katas will be judged by our world experts: the Nage-No-Kata, the Kime-No-Kata, the Katame-No-Kata, the Kodokan Goshin-Jutsu and the Ju-No-Kata. I warmly congratulate and thank the Italian Judo Federation for organizing such a big event.

I wish, on behalf of the International Federation, every success to all the participants. I wish them to put as high as possible the colors of their country, while respecting the traditions and values of our sport.

Matteo Pellicone
President FIJKAM
Italian Judo
Federation

I would like to address the Italian Federation's and my personal greeting to the participants of the 4th World Kata Championships to be held in Italy on the next 22 and 23 September in Pordenone, lively and friendly town in a Region, Friuli Venezia Giulia, that is rich in attractions.

I am sure that the Organizing Committee of the event will do its best to fully satisfy the expectations of all delegations, combining the high level of the organization with a friendly and stimulating atmosphere, creating the conditions for an unforgettable edition of this expected World competition.

I am pleased to emphasize that the growing success of Judo's Kata witnesses how widespread and heartfelt is the desire to study in detail the authentic and traditional roots of a discipline that, in an admirable way, combines culture, rigor of technical movements and competitive spirit.

The 2012 is very important for Judo and for Kata in particular: in March Italy hosted in Lignano Sabbiadoro the 2nd EJU Kodokan Seminar, a meeting of high technical and formative value, ennobled by the presence of a delegation at the highest levels, of the undisputed masters of the Kodokan in Tokyo, led by the Chairman and Olympic Champion Haruki Uemura; in September in Pordenone after the holding of the Continental Championship, it is about to live the exciting experience of a World Championship, that represents for many Athletes the most prestigious event and the climax of so many efforts.

I would like to extend a right and proper thank you for the tireless work of promotion and spreading of kata to Franco Capelletti, IJF Kata Commission Director, vice President of EJU and of the Italian Judo Federation, to Stefano Stefanel, member of the Italian Executive Board and chairman of the Italian National Kata and Master Commission, and to all those who work with dedication and passion in favor of the development and planning of national and international activities related to this fascinating discipline.

I wish all of you the best sports success, being sure that Pordenone will be the ideal setting to enjoy a World Championship characterized by the great positive values of Sport, always able to provide excitement and enthusiasm.
Welcome in Italy!

- Nage-no-kata;
- Katame-no-kata;
- Ju-no-kata
- Kime-no-kata;
- Kodokan-Goshin Jutsu;

The IJF Kata Competition Rules will be used to judge the Kata with reference also to the official Kodokan Kata video.

COMPETITION FORMULA

Each Kata will be divided in two groups: the top three couples with the maximum points from each group (that is 6 pairs for each Kata) will compete in the finals. Four mats will be used for the preliminary round and three mats for the final.

If the Number of pairs is less than 10, there will be only one group: the top 6 couples of the group will compete in the final. For each Kata the couple with the maximum points will be awarded the gold medal, the couple with the second least points will be awarded the silver medal; and the third, the Bronze medal.

In each of the five Kata the couple with the highest score will be awarded the gold medal, the couple with the next highest score will be awarded the silver medal and finally the couple with the next lowest score will be awarded the bronze medal.

In each of the five Kata the following awards will also be assigned to whom is out from the podium:

- the best classified male couple
- the best classified female couple
- the best classified male/female couple

POINT SYSTEM

The Judges are five and will award points on the official IJF scoring sheet. The Maximum score and the Minimum score are cancelled. The Total score of the three remaining judges will get totally get the final score. Each technique and open and closing ceremonies are evaluated with a maximum positive score of 10 points. The positive score is decreased by the mistakes. The evaluation of every technique of Kata has to consider the principle and the opportunity of execution: the evaluation (included the open and close ceremony) has to be comprehensive.

Definition of mistakes**• Forgotten technique**

An omitted technique will score zero and in addition the total final score of the Kata couple will be halved. If more than one technique are forgotten the score for that technique will also be zero but the total final score for the couple will not be halved again. Finally, if the halved total final score is not a whole number then the score will be rounded up.

• Big mistake

When the execution of the principle is incorrect (5 points are deducted and the maximum number of crosses is 1)

• Medium Mistake

When one or more elements of the principle are not applied in the correct way (3 points are deducted and the maximum number of crosses is 1).

• Small mistake

Imperfection in the application of the technique (1 point is deducted and the maximum number of crosses is 2).

For every technique without a big mistake, the minimum score has to be 5. the evaluation of fluidity, course and rhythm represents the global vision of the whole Kata (included the bow):

- If there is no big mistake in the Kata, the minimum result will be 5 and the maximum 10.
- If there is a big mistake in the Kata (including the bow), the score must not be more than 5.
- In case of a forgotten technique, the score or fluidity, course and rhythm is zero.

In the Nage no Kata, right and left techniques will be evaluated comprehensively (only one score). The couple enters and leaves the competition area at the opposite side of shomen: the Start and end of Kata (opening and closing ceremony) is at 8 m or 10 m distance (bow to the mat). Any behaviour of Tori or Uke inside the Competition area that is contrary to the spirit of Kata will reduce the score of the ceremony.

In case of equal score between pairs, the following criteria will be applied considering the scoring sheets of five Judges:

- Total value of big mistakes - wins who makes less mistakes;
- If still equal, total value of medium mistakes will be considered.
wins the pair who makes less mistakes;
- If still equal, total value of small mistakes will be considered
wins the pair who makes less mistakes;
- If still equal, the score of fluidity will decide. Wins the pair who has a better score.
If two pairs, both placing 3rd in the eliminatory (or 6th place in case of only 1 group) are still equal after all the above mentioned criteria, both pairs will qualify for the final.

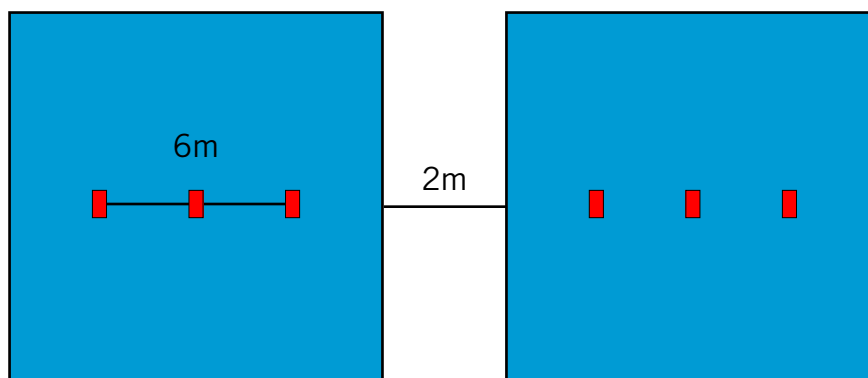

If two pairs placing 1st, 2nd or 3rd during the final are still equal after the above mentioned criteria, the Kata will be repeated so that the medal can be assigned.

SYSTEM OF JUDGING

Each Kata shall be evaluated by five judges under the supervision of the IJF Kata Commission. The five judges will be positioned on the Shomen side and they will seat at about 1 m distance apart from. The rule of neutrality will be applied: cannot be judged a pair of the same Nation. The position of the five judges will be the same for all the competition. If one judge is temporary replaced, he will take place in the same original position when he re-enters the competition. A Judge cannot be a competitor. The judges shall always be in their position before the arrival of the couple in the competition area. The couple enters the competition area at the opposite side of shomen in the centre, then they reach their corner. The judge in the centre at shomen side gets up and, with tense arms and palms of the hands turned upward, invites the couple to enter the competition area.

COMPETITION AREA

The Competition area has dimensions Minimum 8 x 8 and Maximum 10 x 10 metres and shall be covered by Tatami or similar acceptable material. The Competition area must be fixed to a resilient floor. When more adjoining competition areas are used, a common safety area of 2 metres is necessary. A strip of visible colour adhesive tape, approximately 10 cm. wide and 50 cm. long, shall be fixed on the centre of the competition area 6 m. apart, to indicate the starting position of Tori and Uke. The centre of the Competition area shall be indicated with a strip adhesive tape of the same colour.
